

Following the celebration of the 200th anniversary of U.S Pharmacopoeia (USP).The department of pharmacy received five volumes of the U.S Pharmacopeia 43-National Formulary 38 (USP-NF) compendia. In 2020, the USP-NF transitioned to being 100% online publication. This commemorative printed editions represent the final physical copies of the USP-NF compendia.

The books were presented to the chairman Department of Pharmacy by Dr. Evans Sagwa Director, Eastern and Southern Africa, Promoting the Quality of Medicines Plus (QMP+) programme
